## LIBRARY

We have a working library, with a large selection of books that have been kindly donated over the years. Our library day is every Thursday, starting in February. All children aged 3 years and older visit the library where they have a story read to them and then choose a book to take home for the week. It is important that each child has their own book bag. Books are not issued without one as books tend to get damaged or lost if not kept in a special place. Children are also not allowed to take a new book if the old one is not returned, as with a public library. We know that reading is such a significant part of a child's life and we hope that this will be an enjoyable experience for both of you.

## OUTINGS

We arrange various outings to places of interest during the course of the year, specifically catering to each group age range for enjoyment, fun and learning. Parents are requested to accompany their child during the outing and to pay the related costs.

## BIRTHDAYS

Children love their birthday! It is an exciting passage of time, which they eagerly celebrate. If you would like a birthday ring during school hours please make arrangements with your class teacher well in advance, so that we can accommodate the event into the daily programme. Parents are welcome to join us for the birthday ring!

## SCHOOL EVENTS

A variety of activities are planned throughout the year, from Valentine's Day, The Great Easter Egg Hunt to Spring Flower Fun and many more! Some activities run on a 3 year rotational basis, but there is always lots of fun to be had by all.

## GRANDPARENTS TEA

A much-loved tea party attended by our special grandparents. An appreciation for books is fostered with our travelling book fair, which is available to all during the event.

## FATHERS DAY CAMPFIRE AND SCAVENGER HUNT

Favoured by the children and dads alike, this action-packed night-time activity sure gets the adrenaline running with a torch light scavenger hunt followed by roasted marshmallows over a giant campfire.

## MOTHERS DAY PICNIC

We celebrate our terrific mothers with a picnic in our beautiful school gardens.

## ANNUAL CONCERT

One of the highlights of the year is our school concert. All the children enjoy participating in this big event. Each year we have had to hire a bigger and bigger venue, as the reputation of our Beehive annual concert has brought moms, dads, brothers, sisters, cousins, aunts, uncles and grandparents to cheer and celebrate our little stars!

## GRADUATION CEREMONY

Not to be surpassed, our Beehive graduation ceremony concludes the year for our Readiness pupils, who will be attending 'big school' the following year.

Each term ends with a dress up theme and a party to celebrate all that has been accomplished during the term!
